### ECONOMY.

The Republican Party-Senator sherman.

WASHINGTON, February 18, 1809. still fighting above the clouds. Mean time the gardening season is at hand, and Weman waits impatient.

—Mr. Edward Crapsey's article." Will Murch Galaxy does him great credit. He gives the history of several semarkable cases of murder in which the garden of several semarkable cases of murder in which the garden of several semarkable cases of murder in which the garden of several semarkable cases of murder in which the garden of several semarkable cases of murder in which the garden of several semarkable cases of murder in which the garden of several semarkable cases of murder in which the garden of several semarkable cases of murder in which the garden of several semarkable cases of murder in which the garden of several semarkable cases of murder in which the garden of several semarkable cases of murder in which the garden of several semarkable cases of murder in which the garden of several semarkable cases of murder in which the garden of several semarkable cases of murder in the secretary has but fattle sympathy with Washington society, and though the spectrum, and though the properties of the hypocritical cry of "economy," raised by the Radicals in Congress, and though the secretary has but fattle sympathy with Washington society, and though the hypocritical cry of "economy," raised by the Radicals in Congress, and though the hypocritical cry of "economy," raised by the Radicals in Congress, and though the hypocritical cry of "economy," raised by the Radicals in Congress, and though the hypocritical cry of "economy," raised by the Radicals in Congress, and though the hypocritical cry of "economy," raised by the Radicals in Congress, and though the hypocritical cry of "economy," raised by the Radicals in Congress, and though the hypocritical cry of "economy," raised by the Radicals in Congress, and though the hypocritical cry of "economy," raised by the Radicals in Congress, and though the hypocritical cry of "economy," raised by the Radicals in Congress, and though the hypocritical cry of "economy," raised does bim great credit. He gives the first tory of several remarkable cases of murder in which the guilty party has never been discovered, and concludes by presenting the statistics of murder in New York for the last thirteen years.

—A writer in the Boston Filot, alluding to the recent "conversions" to the Roman Catholic faith in Engiand, says:

"Puneyism and Ritualism are fast producing good fruit. On speeds the good work bravely and the whole of England shall more, and the whole of England shall for contemplates removing, it will be a well. A few years more, and the whole of England shall have undergone a change, such as an ot been witnessed during the last three centuries at least."

wood and other engineers of the navy.

Browning has not yet decided what to do, but is inglined to remain in Washington or so has been saved by lopping off the outlay for stationery in the Reporter's Galiery! Stationery in the Reporter's Galiery! This is all, I believe, that has yet been done in the way of "economy!" Yet, from the blatant pretences in this matter, one would suppose the national debt —three thousand millions—was to be paid off in the next decade! This beats the enormous product of regality at the sunrous product of regality at the sunrous product of regality at the sunrous product of regality at the midsummer ere he will be ready to bid in adden.

Evar's, if he retires from the Cabinet, a year,

# month. Yet, a proposition to reduce the army to twenty-five thousand rank and ille, and fully efficered (abundantly sufficient for all proper purposes) is met with a storm of opposition, sithough it had been made as plain as noon day that this needed reform would save the

Of such men what can be expected in

country thirty-five millions yearly!

the way of economy, or, indeed, of any useful legislation? It is broadly admitted that the party in Congress is an incongruous mob, utterly powerless of good. Mr. Fessenden yesterday distinctly declared that "the Republican party, with nominally more than twothirds majority in the Senate, could de nothing at all." And this was said in reference to the muddle respecting the Constitutional amendment. But if the Radicals as a party sre at irreconcilable loggerheads, distinguished individual Senators have lost none of their effrontery. Senator Sherman, who, it is now supposed, will be the new Secretary of the Treasury, and who is a burning and shining light in the crooked path of tarriversation recently said that when it is recollected that this gentleman enemeralds that outrived those this tgleamed grees, and afterwards voted for the condemnation of President Johnson upon articles of impeachment for a violation of their provisions, admitted to be ex-tremely doubt'ul, this piece of self-stultification would be refreshing if in any

THE GREATEST DISCOVERY OF THE

AGE, BY DE. L. STERN (OPH-THALMIC PRISICIAN. FROM PRUSSIA), Whose skill is marvelous in restoring persons to perfect sight, who were almost blind from age or disease, for they can now read or write prominently without Spectacles. Cartificates and estimonials to this effect can be inspected at the Booton's office from Europeans and Americans. y Ur. L. S. C riffestes, verbatim, from the undersigned dedicat Professors and distinguished gentionen in Memphis, Tenn.; men in Memphis, Tenn.:

We take great pleasure in stating that the Improved Australian Crystal Glass Spectacies, which we have obtained from Dr. L. Mern, are the best we ever used. Our own experience nily sosteins the testimonials of emotiones and commendation which he has received from gentlemen of science in various parts of our country, and would hence cheerfully recommend these to all who wish to benefit and improve their sight. Respectfully. mprove their sight. Esspectfully,
